

# T.G.I.F @ "The Center"

Every Friday: 4-6pm

Program begins Friday April 3, 2009

Come hang out with your friends every Friday at The Center for games, crafts, activities, whatever you want to do, even if it's nothing. Kids will get a special Youth Membership from the NMCHC. Help us design T.G.I.F's anyway you like, this program is for you. So, give it a try, you know you want to.

## **"So, where is 'The Center'?"**

The Center, aka the *North Middletown Cultural Heritage Center* is at 111 Mt. Sterling Rd. right near the Feed Store. The home of the infamous Halloween party of 2008!

## **"Why would I want to come there?"**

Hey idk, but, what else are u going to do? This *is* North Middletown, right?

## **"What if I need homework help?"**

We need help with our homework too, maybe u should ask somebody smarter... and anyway, it's *Friday*, dude!

## **"Can anybody come?"**

Yep. Anybody from 10 to 17. They don't have to live here.
