

1st T.G.I.F. Friday Youth Program

April 3, 2009

Cody, Lucinda and Marisa enjoyed drawing and paper crafts and just hanging out.

Cody Buhler initiated the first TGIF, thanks Cody! He is shown here with gal-pals, Lucinda and Marisa.

Chris, Zack, Jordan and JT were fierce competitors on XBOX

TGIF is a Friday program for kids from 10-17 to just come and hang out with their friends, play games, draw, read, talk to adults and EAT! All kids can come each week for free but must buy a \$10 annual membership to the North Middletown Cultural Heritage Center.
